SNAKE PATTERN CRAFT TEMPLATE

HOW TO USE THIS FREE PRINTABLE:

1. Print the template on A4 paper.
2. For a more creative and colorful activity, you can also print on different colored A4 papers.
 - Cut out the snake template. Teachers can pre-cut for younger children.
 - Older kids can practice their fine motor skills by cutting it themselves.
 - Prepare the pattern materials: Use colored circle stickers (you can easily find these online), OR
 - Cut out colored paper circles and use glue.
 - Create the pattern! Guide children to follow an AB pattern (example: red, blue, red, blue).
 - Let them stick the circles along the snake's body.
3. Done!
4. A fun and simple way to practice patterns, colors, and fine motor skills.
